

Remarks

Claims 1-21 are pending in this application. The Examiner has rejected Claims 1-16 and 18-21. The Examiner has indicated that Claim 17 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Specifically, the Examiner states that a "slide" and a "cradle" as recited in Claim 17 are not taught or shown in the prior art.

In response, the Applicant has cancelled Claim 17 and Claim 16 from which Claim 17 depends. These limitations have been rewritten into independent Claim 1 from which Claim 16 depends. Additionally, these limitations have been rewritten into independent Claim 21. Finally, Claim 18 has been cancelled and Claim 19 has been amended to correct syntax problems resulting from the amendments.

In conclusion, the amendments now place Claims 1-15 and 19-21 in condition for allowance since all of these claims now incorporate the limitations of Claim 17. Consequently, a favorable response in the form of a Notice of Allowance for all pending claims is respectfully requested.
